Bob-

FYI - Friday is not an off day for me. Rebecca Pontes is the chemist who has Fridays off.

Thanks Sonja. I appreciate your being available on an off day. Bob. (It is a newer case and the Defendant is not held so the chances of it going are pretty low.)

P.S. What number should I call should the case be send out for trial?

Bob-

I received a summons (on 9/1/11) for the ██████████ case for this Friday and I am available as it is the only thing I have scheduled, so there would be no need to ask for a continuance.

Sonja,

For some reason I slipped you in for a drug case this Friday which obviously is a mistake. I am assuming you are not available and I need to ask for a continuance. Please confirm that for me. Thanks. Bob. (The case is ███████████ ██████████████████.
